

## Hearing Tonight

### Candidate Objects To Nomination Papers

Joseph S. Daly, candidate for a five year term on the Arlington Housing Authority, filed an objection with the Town Clerk to the nomination papers of Edward J. Doherty, incumbent candidate for reelection.

As a result, the Board of Registrars Tuesday night determined that an open public hearing would be held at 8:30 p.m. Thursday, Feb. 8, at the Robbins Memorial Town Hall auditorium.

By law, the Registrars have four days from the time of the filing of the objection to make a decision.

The objection was filed Monday afternoon.

#### Approval

Secretary of State John F. X. Davoren has approved the use of the IBM Votomatic system at the Presidential Primaries, April 30.

Approval has already been extended for its use at the Town Election.

The Secretary's office advises that following the Primaries, evaluation of this system will be made and a determination will be reached as to whether to extend the use of this system to the State Primaries and elections later in the year.

The objection reads as follows:

To the Arlington Town Clerk: I wish to file objections to the Nomination Papers of Edward J. Doherty, under Chapter 53, Section 11 & 13, General Laws, also Chapter 53, Section 9A—General Laws, or any other laws applicable to this objection.

I would request an open hearing before the proper person or Board, as there is doubt whether this candidate resides in the Town of Arlington or the Town of Burlington.

I also question the seating of this candidate as a Town Meeting Member as the Town Meeting is part of the Town election.

The last objection and only other one filed was to the number of signatures of a candidate in 1931.

### Citizens Group Hears Discussion

Arlington must have a new Junior High School immediately and renovate the two existing ones, according to the urgent recommendations of the School Survey Committee.

A capacity crowd at the Robbins Junior Library Hall responded with nearly unanimous enthusiasm to the School Survey Committee report, made public, Jan. 31, at a meeting sponsored by Arlington Citizens for Excellence in Education.

The report is considered so vital that this paper has published it in its entirety on page 18 of this issue.

## The Candidates Have Their Night

Five school committee candidates met at Robbins Junior Library Hall Monday night to discuss issues with Arlington voters. They were, from left, incumbents John Morine and Doris Cremens, and candidates Richard Leibowitz, Martin Haske, and Albert Woodin. The candidates' night was sponsored by Arlington Chapter of the Greater Boston Association for Retarded Children. Unable to attend because of illness was incumbent Velma Brown.

The School Committee race in Arlington gained momentum Monday night when five of six candidates attended a Candidates' Night at the Robbins Junior Library Hall.

The meeting was sponsored by the Arlington Chapter of the Greater Boston Association for Retarded Children. Attending were incumbents John Morine and Doris Cremens, and candidates Albert Woodin, Richard Leibowitz and Martin Haske. Incumbent Velma Brown was unable to attend due to illness.

Arlington voters will go to the polls March 2 to select three of the six candidates on the school committee.

Although candidates discussed varied subjects during the evening, particular emphasis was placed on education as it relates to retarded children.

Following five-minute opening statements, candidates were questioned by a three-member reactor panel. They

#### Opening Remarks

In opening remarks, incumbent John Morine pointed out that he has spent 30 years on the Arlington School Committee and that he is employed by the state department of education. "This is my work," he said, "I have a contribution to make to the town."

Morine said that the role of the school committee is to see that the best education is offered commensurate with the ability to pay. The committee, he added, has not been able to move ahead as fast as desired because of financial limitations. He pointed out that in other communities the construction of apartment buildings have provided additional revenue to the towns. He felt

### Hardy Parents Seek Study

A small group of parents from the Hardy school area, Town Manager Donald R. Marquis, Police Chief Ferdinand Lucarelli and Safety Officer Sgt. Arthur Guarente will hold a meeting in the near future to discuss safety conditions for school children in the area.

Representatives of two groups of petitioners seeking separate safety precautions for the area discussed the matter with the Board of Selectmen Monday night, paving the way for the meeting with the Manager and police officials.

Town Manager Donald R. Marquis after listening to the discussion stated that there is no need for another study of the situation. (Three such studies have been made in the past.)

Selectman John Bilefer asked (Continued on Page 2)

### Seek Registration Change

House Bill No. 461, filed by Representative Gregory Khachadorian of Arlington on the petition of James F. Lawson would regulate the registration of voters.

The Act would amend Section 3, Chapter 51 of the General Laws by inserting after the second sentence the following sentence: "Notwithstanding the foregoing provisions any person otherwise eligible to vote may at his request be listed as a registered voter in a ward or precinct where he resided for more than six months."

At the present time, if a candidate moves from one pre-

cinct or another, he could go for as long as 16 or 17 months without being able to vote in the new precinct.

The reason for this is that when the census or listing is taken after the first of the year he may be listed in one precinct, and would remain so listed until the next census the following year. Thus he would have to vote in that precinct.

Meanwhile, he might move in January after the census. However, he would still be listed in the same precinct until a year from the following June when the results of the next year's census would appear.

## Chairman Answers Critics

### School Committee Meets Several Times A Month

In any given school year, the Arlington School Committee meets over 20 times, not including meetings of any sub-committees.

This was the information received by this paper in a news release this week.

The release read as follows:

"In order to clarify a misunderstanding that exists about the number of times the School Committee meets each month, Dr. Mary K. Carter, Chairman of the School Committee has stated that apparently some of the public is not aware that the Committee meets as often as it does. Since January 5, 1968, the full School Committee has met 20 hours and various sub-

committees of the School Committee have met five times.

"At the January 9, 1968 meeting, the Committee voted not to schedule two regular meetings per month. It was the feeling of the majority of the Committee at that time, and it still is, that the Committee will meet as often as necessary to complete its business effectively. Over the past few years, the Committee has consistently averaged more than two meetings per month, if the school year as a whole is taken as the criteria.

"Several members of the Committee feel that the official scheduling of two meetings per month is therefore unnecessary and gives a misleading impression to the public. Anyone voting against the

measure would appear unwilling to devote sufficient time to the task, when just the opposite is true. In order to keep the record straight, fair play would seem to indicate the need for informing the public as to the facts as they really exist. Therefore, listed below are the meetings held by the School Committee since the first of the year through today's date, February 6th.

Full School Committee meetings: Jan. 9, 1968; Jan. 16, 1968; Jan. 23, 1968; Saturday, January 27, 1968. An all day meeting with the sub-committee of the Finance Committee on the School Budget.

### Most Feel MBTA Service Poor

"Poor"—That's how 80 percent of the persons returning MBTA questionnaires described the MBTA bus service provided in Arlington.

Of 461 returns, 368 persons stated that the service was "poor." Eighty felt that service was satisfactory. Thirteen felt it was excellent.

Of the total number of persons taking part in the poll, 365 used the MBTA daily, 79 used it often, and 14 seldom.

Seventy-two percent, or 334 persons, stated that the bus service in Arlington has decreased during the past year. The service was reported as remaining the same during the past year by 105 persons. Fifteen said that the service has improved.

And 89 percent, or a total of 409, stated that Arlington is not receiving the service it deserves. Thirteen had no answer.

A total of 342, or 74 percent replied that generally speaking, MBTA drivers are courteous and helpful.

By far the largest number of complaints received were from commuters unhappy with the service provided at

Harvard Square from 3:30 p.m. until after the evening rush hour traffic.

The majority complained of the lack of Arlington buses as compared to the number leaving for No. Cambridge.

#### Please More Buses

Typical of the remarks concerning the Harvard Sq. transportation was one received from a Mass. Ave. resident who wrote:

"Did you ever stand in Harvard Square Subway during the evening rush between 5 and 6 p.m.? If not, please do it and watch 5 to 9 North Cambridge trolleys go out one after another, some empty and some with one or two passengers. All other stops are empty too, but the Arlington Heights bus stop has hundreds of people waiting for the grand push and I mean push."

Many of the Harvard Sq. complaints set the ratio at 3 to 4 North Cambridge buses to one Arlington bus.

Another remarking on the crowds at Harvard Square said, "It has never ceased to amaze me, and others, how patient the people are, or have been. However, that attitude seems to be changing to one of frustration or despera-

tion. People can understand that tie-ups happen occasionally, but when that situation becomes an everyday occurrence, something must be done."

A Jason st. resident remarked about the "pushing and shoving" at Harvard Square. She stated that she was over 70 years old, and "could not push and shove."

### Seek Plowing

Town Manager Donald R. Marquis advised the Board of Selectmen Monday night that the Public Works Dept. has been ordered to plow the sidewalk from Drake Village to Mass. Ave. as soon as possible.

Residents of the area requested that the sidewalk be kept clear of snow and ice. Marquis explained that the area would not be "first priority" but would be plowed as soon as possible.

He noted that schools and some other areas require immediate attention.

The residents also requested that the MBTA line be extended to Drake Village.

## Shocked and Ashamed

Less than a month from now Arlington's registered voters will once again have the opportunity to go to the polls to cast their ballots. How many of these voters will actually be there?

Would you believe 90 per cent or 80 per cent or maybe even 70 per cent?

If you would believe these figures—that many more Arlington residents turn out at the polls than actually do, then you are kidding yourself.

The total registration this year will probably be somewhere between 28,000 and 30,000. In other words if all our voters turned out at the polls this would be the approximate number of voters who would cast their vote.

Since 1957, the highest percentage of registered turning out at the annual Town Election was 53.7 per cent in 1959.

The lowest percentage was in 1963 when only 24.1 per cent of those eligible to vote turned out.

In the intervening years the percentage has fluctuated between these two figures, but on only one occasion, in 1965 was it higher than 45.7 per cent.

Shocked?

You should be and ashamed too.

That so few of the residents of this community who are eligible to vote, don't care enough.

Last year only 8,785 voters of the 28,944 registered voted.

Do your own arithmetic if you wish, but this figures out to be just a fraction over 30 per cent.

What is the reason for such "horrible" interest by our residents?

Which of our registered voters don't vote?

Answers to both of these questions would be nice to have, but unfortunately this writer does not have them.

But just guessing, it must seem that the answer to the first is that the voters just don't care or they are lazy.

The answer to the second is more difficult to even hazard a guess about, but it would seem here that a cross-section of all voters must stay away in numbers from the polling places.

From the low percentage of those turning out, particularly in a year such as 1967, we would guess that many of our so-called "pillars of the community" and some of the "first to gripe" when town government does not function in the manner in which they think it should just do not care enough to vote.

We often wonder how these non-voters feel, when they view an elderly man or woman, cane in hand, and assisted up the steps of a polling place through ice and snow doing what they consider to be their duty and right as an American citizen?

We wonder particularly when such non-voters have just spent the day manufacturing a reason why they couldn't get to the polls?

We wonder—don't you?

## Note To Veterans

Fifteen specific legislative and administrative proposals are included in President Johnson's most recent message to Congress on servicemen and veterans. Mr. Coyne, Veterans' Agent reported today. Mr. Coyne said an analysis of the complete text of the message which he has just received reveals these legislative requests:

1. To increase the low-cost group life insurance now available to members of the armed forces from the present maximum of \$10,000 to \$30,000.

2. To protect disabled veterans, widows and children against disproportionate pension loss as a result of increases in other income such as social security.

3. To increase the maximum portion of a GI loan that can be guaranteed by the government from \$7,500 to \$10,000.

4. To permit part-time VA vocational rehabilitation training so service-disabled veterans can improve their skills while working at regular jobs.

5. Inactment of a resolution expressing the intent of Congress that private employers should give top priority to returning servicemen.

6. To provide incentives to channel the talents of returning Vietnam era servicemen into teaching in deprived areas or serving local communities as policemen, firemen and hospital workers. The program would be known as Veterans in Public Service (VIPS) and would provide extra GI bill benefits to veterans serving or training to serve in VIPS.

In the message, Mr. Coyne said, the President also advised Congress he is taking the following actions to improve service to servicemen and veterans:

1. Expanding VA service in Vietnam where VA representatives provided benefits counseling last year to 220,000 fighting men about to return home.

2. Expanding VA counseling now being received by disabled servicemen in 110 military hospitals to the entire system of military hospitals.

3. Extending VA counseling, now being conducted at 150 military separation points, to an additional 107 separation bases.

4. Opening 20 new one-stop U. S. Veterans Assistance Centers. Working with VA officials at the centers will be representatives of many other federal agencies as well as local and state veterans affairs officials. This first multi-agency effort is designed to render every assistance to returning Vietnam era servicemen. Ten of the centers, to be opened within a month, are to be located in Boston, New York City, Chicago, Los Angeles, Philadelphia, Detroit, Cleveland, Washington, D. C., San Francisco and Atlanta.

The second group of centers, to be opened at a somewhat later date, will be located in Baltimore, Milwaukee, Houston, St. Louis, Pittsburgh, San Antonio, New Orleans, Indianapolis, Phoenix and Newark.

## COLLINS CORNER

A car stopped in front of the Library the other day and two nice ladies embarked, and on their bumpers were two signs, one saying "Go Red Sox Go", and the other "Build a Stadium". Well, the first has been answered, but methinks the ladies will be a bit older before the latter is realized.

So it brought to mind a piece in the Advocate stating that our Selectmen had had a meeting with the top brass of the MBTA, regarding the service being rendered by said Authority, and one wondered how many of these meetings have been held over the years, with the same questions being asked.

Once upon a time the President of the Boston Elevated would ride around on a Sunday afternoon in his Parlor Car, with curtains, swivel seats, and oriental rugs, surveying the many roads controlled by the Company. His name was General William A. Bancroft, and with him rode his many guests, and folks out for a walk would stop and stare, and really seemed proud of the luxury being enjoyed by the head of our great transportation system.

In those days the plowing of snow was done by the Elevated, and the Town was charged for it, and people kicked, and have been "beefing" ever since. So nothing is new, and the nice little ladies who are hoping for a stadium should be patient, because no one likes to be rushed, especially in Arlington.

In 1912 the Harvard Sq. Subway was finished and the next year it was to be completed to Arlington.

Also the Elevated over-head trolleys were to continue to Lowell, but great opposition was aroused here.

Fifty years ago a swimming pool was to be built at Arlington High School, and 40 years ago a hockey rink was to be constructed, and 40 years ago voting machines were to be purchased, and goodness knows how many years have passed since an Incinerator was to be built, but to be very fair, many of these projects are still warm, and the promises are red hot, but please don't hurry.

Send them back for more study, and maybe a new generation will appear on the horizon, and make a new study. But all projects in Arlington and hereabouts are not that slow, and some years back dedicated groups found that Arlington Heights was a nice area for places of worship, and four denominations started settling there, the Park Ave. Congregational, the Arlington Hts. Baptist, the First Methodist, and the St. James Catholic Churches.

They met in the Union Hall on Park ave., and the Crescent Hall around the corner on Mass. ave. with a real purpose in mind, and that was to build a church of their own, and these four groups did exactly that, and all four places of worship are still "doing a nice business".

The construction of the first St. James Church perhaps broke all building records in the Town. It was a temporary church edifice on the corner of Acton and Appleton sts., and was actually constructed in 12 days, and dedicated, just six weeks after the first Mass was celebrated in Crescent Hall. So it is easily seen that without reams of red tape, and citizens opposition, good projects, beneficial to all taxpayers, can be had.

## — PROCLAMATION —

WHEREAS, The Benevolent and Protective Order of Elks is celebrating its one hundredth anniversary this year, and

WHEREAS, This fraternal organization, dedicated to charitable and humanitarian efforts has, throughout this period, carried out its various tasks unassumingly and without fanfare, and

WHEREAS, Arlington Lodge No. 1435, in existence in the Town since 1922, has carried out the purposes of this organization on a local level.

NOW, THEREFORE, We, the Board of Selectmen of the Town of Arlington, Massachusetts, do hereby proclaim Friday, February 16, 1968 as, "The Benevolent and Protective Order of Elks-100th Anniversary Day", and call upon the citizens of Arlington to join with this worthy organization in celebrating its Centennial, and in wishing it continued success as it embarks upon its second century of existence.

## A Letter To Mom

The following poem was sent to Mrs. Guanci by her son, Bill, presently stationed in Vietnam.

### MOM: LOVE BILL

When soldiers are lonely in Vietnam  
And their minds are full of fear;  
They write "I love you" to their girls  
But forget the one most dear.  
I know your girl is wonderful  
And fills your heart with joy;  
But, it's your mom, who raised you  
From a baby boy.  
Have you stopped and really thought  
How much she's done for you?  
For if you have—you know  
She deserves your love most true.  
She loved you since a tot  
And cared for you all your life  
I'm telling you dear soldier  
It was neither your girl nor your wife.  
So tell us soldiers in Vietnam  
Let's show our mothers we care  
By writing them today  
And attaching this little prayer.  
Dear God up above  
To my mom I send my love.  
I pray you bless this one so dear  
And guide her through the coming year.  
Most of all I'm praying  
That in the years to be,  
I find more ways of showing mom  
How much she means to me.

Presidential message also referred to the appointment, last year, of an eleven-man U. S. Veterans Advisory Commission and said "We are looking forward to the recommendations of the Commission."

On the subject of national cemeteries, the President said: "Every veteran who wants it, those who risked their lives at Belleau Wood, Iwo Jima and the DMZ, should have the right to burial in a national cemetery situated reasonably close to his home. I have asked the Administrator of Veterans Affairs to make certain that the recommendations of the Advisory Commission include proposals to assure this right in a meaningful sense."

Meeting: 8:00 p.m.

PUBLIC READING ROOM  
23 Church St., Harvard Square

## Collision

Two vehicles were extensively damaged Jan. 31 when they were in a collision on Rt. 2 near Appleton st.

According to Arlington police reports, a car operated by Frank H. Fraser of Lexington, travelling in a westerly direction on Rt. 2, collided with a dump truck owned by the state department of public works, also travelling in a westerly direction.

Driver of the truck was Henry Balboni of Somerville. He complained of head and back injuries and reportedly will see his own doctor.

Anthony Saro of Cambridge, a passenger on the truck, complained of back injuries after he fell from the rear of the vehicle. He reported that he would see his own doctor.

## That Man About Town

Politics — That's what everyone thinks ought to be "kicking around" this time of year.

This was an easy one to pick—three or four weeks ago—all "cut and dried" and ridiculously easy—incumbents looking like they were home free.

But this was a stupid way to look at the picture even during a dull election year.

MAT would be stupid to try to "pick and choose" now, but it's still almost that easy.

Arthur Saul looks like a repeat performer—three more years on the Board of Selectmen.

"Buzz" Cooledge should have little trouble repeating in the Assessor's race. Incumbent in the Assessor's race through the years has meant "victory".

The School Board race should be similar with the incumbents all repeating—but "tain't so".

Who's working?

Which or the six?  
Woodin has the best chance to pull off the big upset. Al polled a good vote a year ago and if any of the three incumbents just "sit and think" this time—look for Al to be sitting at the horseshoe table at the library of the Old Junior High Center at the March Meeting of the School Committee.

MAT's not shooting all the big marbles until the final week, so they'll be no prediction until then.

The Housing Authority battle will be covered next week.

The Clerk's race is a puzzle.

Byrne looks strong one minute.

Mary Farrington seems a sure winner the next.

Her chances would be much better if there were five or six contestants involved.

But there aren't so right now it's a "toss-up".

## No Withdrawals Here

Committee, were joined by Dr. Larry Anderson, assistant superintendent of the Arlington Schools, in the panel discussion.

Waste of Time  
In a spirited question and answer period, the main criticism seemed to focus on the committee's recommendation that a site study be made and completed by June 1, 1968.

Several persons felt that the only available site is the land adjacent to the Summer St. Playground. They argued that a site study was a waste of time and that building plans should be begun immediately upon approval by the Town Meeting.

There was general agreement with Dr. Herbert Meyer's observation that Arlington's lack of long-range planning always forces the town to act in an atmosphere of crisis. The need for a new Junior High School, however, is so critical and so obvious, that a lengthy study is impossible at this time, according to Dr. Purpel.

The School Survey Committee, which acts under the authority of the town manager, will begin its study of elementary school and high school needs after the March Town Meeting.

## In Band Battle

Left to right: Gregory Barron, Al Fiore, Phil Mouris, Kenneth Crossman, and Robert Flynn.

A group that has recently organized, The Fugitives, will be playing in the Jaycee sponsored "Battle of the Bands" scheduled for Feb. 24 at the Junior High West.

The Fugitives have been playing for five months and have appeared in Dedham, Arlington, Waltham, and Conway, N. H. The group has members from both Arlington and Waltham.

The Fugitives consist of five members, all of whom are interested in music. On the drums is Philip Mouris, the oldest of the Fugitives. Phil will be leaving for Vietnam in the near future and intends to become a jet mechanic. He is a graduate of Arlington High school.

Gregory Barron, a freshman at Waltham High school, plays bass guitar for the group. He also handles most of the harmony and back up.

Albert Fiore plays the organ and does occasional back-

up and is the lead singer for the Fugitives. Al was one of the organizers of the group and is a junior at Arlington High school.

Another guitarist is Kenneth Crossman who plays rhythm guitar and is also a lead singer. A senior at St. Mary's in Waltham, Ken and Robert Flynn arrange and transpose most of the songs the group plays.

Robert Flynn is the group's lead guitarist and is a sophomore at Waltham High school. Robert has been playing guitar for three years and plans to become a dentist.

The Fugitives have completely rearranged their style for the forthcoming contest.

Along with new equipment they plan to have new songs, clothes and more knowledge gained from the previous contest which it is hoped will prove to be interesting in the Feb. 24 contest.

### Speaker

Gordon J. Mercer, who has served as Probation Officer of the Malden District Court for the past 15 years will be the guest speaker at the Fellowship supper at the Heights Baptist church, Feb. 14, at 7 p.m.

He will discuss the common denominators that cause delinquency, gang formation and juvenile drug addiction and the responsibility of the parent and child alike.

Mr. Mercer will also show pictures of actual case studies.

### ENROLLED

John W. Shaughnessy, son of Mr. and Mrs. John E. Shaughnessy, 10 Joyce rd., has enrolled at Burdett College, Boston, and will attend first semester classes under the College's midyear acceptance program.

A graduate of Arlington Catholic High school, he is an Accounting major in the School of Business Administration.

### GRADUATE

Aviation Electronics Technician Airman Harry D. Astourian, USN, son of Mr. and Mrs. David H. Astourian, 21 Richardson ave., graduated from the Aviation Electronics Technician Course in Navigation at the Naval Air Technical Training Center, Memphis, Tenn.

During the nine week course he was introduced to airborne communication and navigation equipment. The curriculum included the use of test equipment, adjustments and trouble-shooting procedures.

Airman Astourian is a graduate of Wentworth Institute in Boston.

### OUTSTANDING AIRMAN

Airman First Class Thomas M. Donahue, son of Mrs. Eleanor M. Donahue of 2 Notre Dame ave., Cambridge, has been named Outstanding Airman of the Quarter in his unit at Otis AFB.

Airman Donahue, a supply inventory specialist, was selected for his exemplary conduct and duty performance. He is a member of the Aerospace Defense Command.

The airman is a graduate of Cambridge High and Latin school.

His wife, Jocelyn, is the daughter of Mr. and Mrs. John Glacken, 42 Venner rd.

### CHI-RHO MEETS

## P.T.A. Council Plans Annual Candidates Nights

Mr. and Mrs. John E. Fitzgerald, Co-Presidents of the Arlington Council of Parent-Teacher Associations, today announced that the Council will conduct its annual School Committee Candidates night Feb. 15 at 8 p.m. at the Robbins Memorial Town Hall.

All of the candidates for

School Committee in the coming Town elections have been invited to attend the meeting. The candidates will be allowed a five minute period in which to present their platforms.

The presentations by the candidates will be followed by a question and answer period for as long as time allows.

At the conclusion of this interlude, refreshments will be served.

Previous P.T.A. Candidates nights have been well received by both audience and candidates because of the opportunity afforded to discuss only those problems dealing with

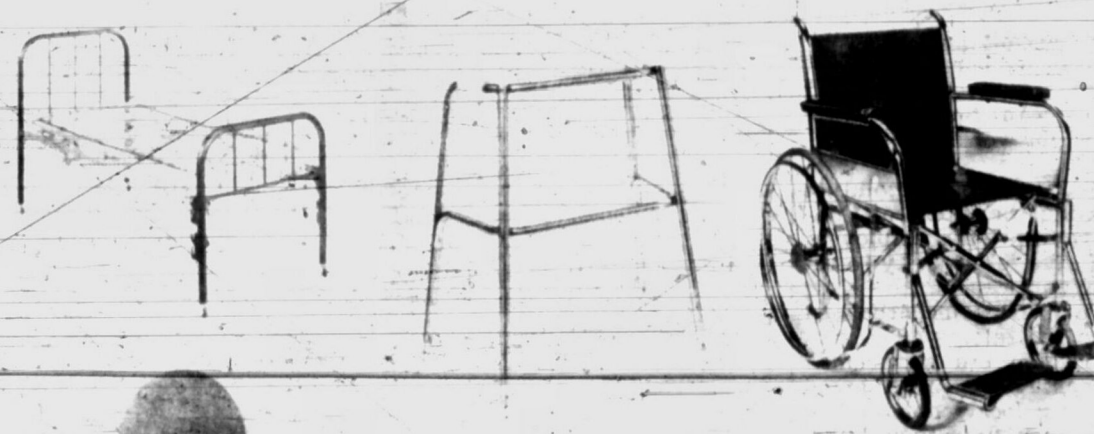

the Arlington schools and school system.

The Council would like to invite all Arlingtonians interested in the school system to attend what promises to be an important and informative evening.

David Levine will be Moderator for the evening.

"During the months of December and January, there were several sub-committee meetings held on the 5 Year Projection as well.

"A survey of meetings over the years indicate that in any given school year there have been over 20 School Committee meetings, not including meetings of any sub-committee or those to which members are assigned such as building committees, Survey Committee, etc.

"An examination of the aforementioned meetings would seem to indicate that the School Committee is more than discharging its responsibility to the community.

## Hoop Season at Half-Way Mark

The Elementary Basketball program conducted by the Park and Recreation Department and School Dept. passed the half-way point this week and both division titles are still far from decided.

The Western League has a four way tie for first place with Stratton, Peirce, Locke and Dallin all sporting 4-2 records. The Eastern League shows Thompson and Hardy on top with 5-1 records with Crosby a game behind at 4-2.

Four more games remain to be played in the regular season and at this point it seems certain a tie will exist in one of the leagues when the final gun sounds.

The winners of both leagues will meet for the Championship, March 15, at 6:15 p.m. at the Boys' Gym in the High School as part of a Park and Recreation Department triple-header involving the High School and Adult Leagues.

### Eastern League

The Hardy 76ers defeated the Crosby Royals 24-21 in overtime at the Junior High East gym with key baskets be-

ing scored by Mike Barsolan (3 pts.), Ed Zahka (3 pts.), Louis Nardone (6 pts.), and Larry Paglierani (12 pts.). The Crosby team had a fine game from Carlos Bothelo (13 pts.), Ken Ault (4 pts.), and Wayne Hill (2 pts.).

The Parmenter Hawks led by Richard DiPrimeo (24 pts.), Tony Williams (4 pts.), and Rick Piscopo (3 pts.), beat the Bishop Crusaders 34-25. Bishop had a fine game from Barry Altman (8 pts.), Nick Mitropoulos (6 pts.), and Charles Amos (4 pts.).

The Thompson Patriots beat the Cutter Lakers 24-20 behind the scoring of Roger DaSilva (8 pts.), Joe Costa (7 pts.), and Bill Casey (6 pts.).

The Cutter Lakers had a fine game from Bill Harris (7 pts.), Shizuo Makal (4 pts.), and Mark Demas (3 pts.).

The Arlington High Student Council held their version of television's "Dating Game" Feb. 2.

As master of ceremonies, Mr. Trevesani conducted the game to the tune of the "Dating Game" music. The stage in Lowe auditorium was divided by a white partition with red hearts; the newly-matched couples will be going either to dinner at Fantasia's Restaurant, a Bruins game, or a Celtic game.

A few of the couples are: Maureen Sullivan and Bob Simeone, Sarah Santos and Karl Place, Louise DiNatale and Danny Kelly, Theresa Bottoni and Jack Teevin, and Donna Mandarino and Neil Harrington.

On Feb. 1, several AHS students, who are members of the Arlington Youth Council, were excused from classes for the day to visit the two junior high schools, St. Agnes and St. James grammar schools.

One or two students were assigned to each seventh and eighth grade homeroom to discuss the Youth Code. Pres-

ently being revised, the code is a guide line for teenagers and parents in matters of school and social activities. Although the younger students aren't yet concerned with problems such as driving and dress the AHSers felt that both groups

that this was not the case in Arlington.

Candidate Woodin did not agree with the school committee's assessment of the town's ability to support a good school system. He said he would rather compare Arlington with that of Framingham which are comparable in size.

"Our school system is a good one," he said, "but the handwriting is on the wall. We must take steps to insure that it remains so in the future."

Woodin added that if we are to have a long range planning program that this is the time that the needs of retarded children be made known to the committee.

Doris Cremens, seeking her second term, opened her remarks with a prepared statement. She pointed out that she would like to see special education in the schools, and stated that she is in favor of adult education for the retarded.

Candidate Martin Haske said that the reason he is seeking a seat on the committee is because "I'm interested. The people in town should be interested. This is the main reason I am here tonight," he said.

Haske added that he is also receptive to ideas and presentations from people outside the school committee and town government. He felt that people outside the town could take a critical look at the system.

Haske added, "We must provide for retarded children a reason, a responsibility, a motive for living. It is our responsibility to provide for them a method by which they can become equals and find their way in the community."

Richard Leibowitz stated that he is a candidate because he wanted to increase the number of persons on the Arlington School Committee interested in meeting more than once a month, in increasing the number of persons on the committee interested in family planning courses, and to increase the number on the committee interested in getting people from other areas to come into Arlington.

Leibowitz advocated the continuance of the ungraded class system in Arlington. For the mentally retarded, he said, Arlington has a fairly comprehensive program. He added that Arlington should seek out what is available in funds from the state to continue and improve the program presently existing in Arlington.

(Editors Note: Views expressed by candidates on education for retarded children will appear next week.)

**STATION ENTERED**  
 A gas station on Mass. ave. was broken into Feb. 2. The break was discovered by Arlington police shortly after 5:30 a.m. Police notified the owner who arrived and reported that \$20 in coins had been taken in the break.

**T.V. STOLEN**  
 A colored television set, valued at \$500, was reportedly taken in a house break on Arizona ter. Jan. 31. According to Arlington police reports, entrance was gained by forcing a front door.

### Western League

The Locke Warriors stunned the Peirce Knicks 21-7 behind the scoring of John Pandolfo (7 pts.), Mike Ivester (5 pts.), and Fred Presti (4 pts.). The Peirce team was led by Ed Dyke (3 pts.), Tom Lyons and Dave Peirce.

The Brackett Nationals played a fine game in defeating the St. James Cardinals 19-2 behind the play of Bill Coleman (6 pts.), Billy Rowe (4 pts.), and Gary Stratton (4 pts.).

The Dallin Pistons upset the Stratton Celtics 19-4 at the West gym. The stars from Dallin included Steve St. Hilaire (10 pts.), Tom O'Leary (5 pts.), David Auchmoody (2 pts.), and John Richardson (2 pts.).

The Stratton team had a good game from Richard Staples, Edward Campbell and Malcolm Hodge.

benefitted from the experience.

As a means of fund-raising for their class project, the seniors are selling pens in the school colors: maroon and gray. Although plans for the use of the money have not yet been definitely decided, it will undoubtedly be a lasting gift to the school. One of the most important events of the senior year is, naturally, the prom, which will be held at the Montvale Plaza as a dinner dance.

The hall, which has been rented for May 17, is on two levels; one will be used for eating, while the other will be reserved for dancing.

Members of the chorus and leads in the "Mikado" are already rehearsing three afternoons for their April presentation. With their tremendous effort it should be very successful — we wish them the best of luck.

W.I.C.O.V.A.C. (War Injured Children of Vietnam Assistance Committee) is an organization concerned with problems the 27 years of war in Vietnam have produced. Children, who need medical supplies and often a form of plastic surgery, are found badly burned and with no indication of medical care being given to them.

On December 18, Mrs. Pearlman, secretary of C.O.R. (Committee of Responsibility) came to speak to members of the club; she also brought with her some slides which showed the extent of the need for medical supplies.

Now, the club is considering some possible ways of raising money to send to Vietnam. One suggestion is a dance at which the well-known Arlington band, the Organdy Mist, have offered to play at. Anyone interested in helping with this cause can see Mrs. Stockman after school.

# Advocate Swamped With Replies From MBTA Poll; Here Are Results

(Continued from Page 1)

She asked, "Please give us more buses."

The second greatest number of complaints received centered on the Park Circle and Arlington bus runs from Harvard Square.

Many advocated what a Wilbur ave. resident wrote: "Run all Park Circle buses down Washington and Appleton streets to St. Camillus. Since this is done at night, why not during the day? It is ridiculous to send out empty Park Circle buses, one after another, from Harvard Square while a crowd waits a long time to be packed into an Arlington bus."

## Ask Better Scheduling

Others advocated providing shelter for the Park Circle-Arlington area commuters at Harvard Square, and also along Rt. 2.

And the Arlington Center-Lechmere Square line did not escape criticism.

One resident complained that the buses are not on schedule because drivers take coffee breaks in Arlington Center.

A Dartmouth st. resident advocated sending more buses from Lechmere Square along Broadway without stopping at the Clarendon Hill car barns. The resident wrote:

"In order for me to go to Davis Square I have to either walk to Clarendon Hill or Mass. ave. and let me tell you either way is a good twenty minute walk to get to a bus line."

She added, "I never thought for one minute that the service in Arlington was this bad. Had I known it I would never have bought a home in Arlington."

And most all of the returns asked for better scheduling and additional buses.

## Seek Improved Loading

One commuter who most frequently uses a bus stop at Highland ave. and Rt. 2 reported "excellent service at a low 10 cent fare."

A Jason st. resident said the service was excellent, and added, "I think the MBTA has excellent service but I'm disappointed in the way that the town clears off the snow at bus stops. I have to climb over a big snow mountain every time I board a bus or get off."

Another advocated changing the bus stop at Lake st. to the entrance of the Capitol Theatre "so riders can have the benefit of a canopy."

A Monadnock rd. resident advocated extending the MBTA rapid subway system through Arlington to Rt. 128.

Others asked for better loading facilities at Harvard Square.

One wrote: "The high school students are so numerous on the bus between 7:30 and 8:00 a.m. the bus doesn't even stop at our street. A bus should be provided for high schoolers, plus additional buses to handle the general public during that period."

Others also suggested that special buses be provided for school students in Arlington.

A Brattle dr. commuter wrote: "The MBTA isn't a bad system, really. It just tries my patience at times. The commuter added that during the past month "there has been a definite deterioration in service on the Mass. ave. line. I was late for work every morning for two weeks straight, and the morning some 15 or more of us waited half an hour for a Harvard bus really took the prize."

## Poor Helpless Girl

A young girl replied that the MBTA should run more buses, more often. She stated, "After waiting 30-35 minutes I'm so mad, because no bus comes. I just walk. (All my friends, about 20 of them, walk too.) The questionnaire was signed by 'a poor, helpless girl who likes to ride on the bus! If it comes!'"

Another asked that the drivers at Park Circle area be instructed to let passengers board buses when they arrive, so that there will be no waiting in the cold until departure time.

One who reported satisfactory service questioned why "empty buses are going by bus stops in the morning to Arlington Heights and do not

pick up passengers." The person also stated that the same thing happens at night, and added, "How about that extension of the rapid transit into Arlington? We have waited long enough. We pay much more of the MBTA deficit than Newton and get less service. Why?"

A Windsor st. resident said, "In thirty-two years in Arlington, the bus service is the worst now."

One who used the MBTA for 50 years for transportation to work said that "it

would help if the Arlington police kept cars and trucks from parking in the bus stops and the drivers drove into the curb."

Another comment received was, "More buses, more frequently. We try, but do you think we'll get them."

An Ashland st. woman wrote, "Clear up the mess in Harvard Square. I recently bought a car because service has become so bad this year."

A Robbins rd. resident said of the MBTA: "I feel we

should get rid of it. We certainly are not getting the service we should have in comparison to what we pay in taxes. How about a private bus service for Arlington residents only?"

Others, who report that buses are full before reaching Arlington Center and East Arlington, are asking for buses to begin picking up passengers in Arlington Center.

A Joyce rd. resident wrote: "Bring the buses back to the Heights instead of leaving

them in Harvard Square overnight. I feel that people in Lexington should be assessed part of the deficit because in the morning they get all the seats."

Considering the high cost of using the MBTA, a Yale rd. resident wrote, "The service should be better." And added, "There is practically no service for the residents between the Mystic Valley Parkway and Broadway."

An Allen st. commuter said, "Remove some of the non-workers from the pay roll

and put the money into rolling stock."

Another said "Restore service, provided until recently. No complaints then. Cut back of service is extreme."

## No "Thank You"

Answering a question as to whether or not MBTA drivers are, generally speaking, courteous and helpful, a Winter st. resident replied that 80 percent of the time they were, and 20 percent of the time they were not. The resident commented, "When they are

good they are very good. When they are bad they are horrid."

Another said that the drivers were not courteous and helpful, and added, "But with the amount of people crowded onto the buses one cannot condemn his disposition."

A Mass. ave. resident said that the 6:15 a.m. bus driver from Arlington Heights is very courteous and efficient.

A Thorndike st. resident said, "A few are, but the majority are not. However, this also goes for the passen-

gers." The resident also pointed out that very seldom one hears a "Thank You" to the drivers.

A Piedmont st. resident said that "they certainly try to be."

One woman stated that the drivers were courteous and helpful, but with one notable exception. "And they heard from me about that one" she added.

## At Local Conference

Mrs. Richard Mela, Mrs. Paul Brinkley-Rogers and Miss Doris Atwater attended a water conference of the League of Women Voters in Boston on Jan. 24, 1968.

Mrs. Bernard Flood, Mass. League Water Chairman, said that the salaries of the under-staffed and underpaid Mass. Division of Water Pollution Control will be reviewed this spring.

Although the staff will eventually increase from 14 to 85, there will be no enlargement of the staff this year. The funding to the Mass. Div. W.P.C. will be the promised amount this year.

Mr. Greeley of the Mass. Division of Water Pollution Control said there has been a 93 percent response to the recent letters of compliance sent out to polluters. He also said that construction is not finished on the Deer Island Treatment Plant. There will be a school for sewage plant operators in March.

Mr. Gregg, head of the New England River Basins Commission explained its goal to

coordinate river basin planning so that a single purpose agency would not dominate planning. He wondered how to get more people involved in the planning process. (There is a pamphlet on the Commission in the display in the Dallen Branch Library, Park Ave., Arlington Heights.)

Walter Newman and Bart Hague of the Federal Water Pollution Control spoke of developing basin wide pollution control programs.

He is a graduate of Arlington High school.

## The Letter Is Important

John E. Loneragan, Jr., social security district manager in Cambridge, said today that a number of older people in the area are receiving an important "letter" from social security.

The letter, from the commissioner of social security, Robert M. Ball, has been mailed to people 65 and older who have not yet signed up for the doctor bill insurance provided by medicare.

These people now have another chance to sign up. However, they are being advised that this new sign-up period closes April 1st.

The letter explains briefly how the doctor bill insurance plan works; reviews recent amendment changes in the law; and lists eight considerations in making an enrollment decision.

An enrollment card has been included, that can be sent back, showing whether or not the person wants the medical insurance protection.

Anyone 65 and over who is not already enrolled for the doctor bill insurance should get in touch with the Cambridge Social Security Office if he has not received the commissioner's letter by early February, Mr. Loneragan said.

## Wins Label Emblem

Otto J. Lang, 57 Windsor st., a Career Clerk assigned to the Personnel Section, Main Office, was recently presented a Lapel Emblem, Certificate and Cash Award, by Postmaster Ephraim Martin, at a ceremony in the Federal Building, Boston, for superior performance of assigned duties. Lang was appointed to the postal service in 1949 and served with the United States Army during World War II.

## What Can Women Do For Peace?

"What Can Women Do for Peace?" was the subject for the monthly meeting of the Woman's Society for Christian Service at Calvary Methodist Church, 300 Mass. ave., Jan. 18, at which women from other Arlington churches were invited guests.

The speaker was Elizabeth H. Boardman of Acton, chairman of the American Friends Service Committee, New England Region, which has its headquarters in Cambridge. A co-founder of Voice of Women - New England, and "Peace Candidate" for Republican nomination to the U. S. House of Representatives in 1962, Mrs. Boardman based her talk on long experience in the peace movement.

Challenging the churchwomen to "wake-up" to their responsibilities as Christians, and as mothers, to help in the search for alternatives to "mankind's warring madness," she quoted Jeanette Rankin, first woman Congresswoman,

who at 87 has just led a women's peace march in Washington: "War is a system of habit we use without thinking. There is no protection from war, and if we are going to break the habit, we must decide now. We are more than eight-year old boys and we ought to have a higher method of settling disputes than hitting each other. We have to see to it that the military system is destroyed."

Mrs. Boardman sketched the "Women's Peace Movement" from the first Mother's Day 100 years ago, which was established as a day for rededication to peace, to the current activity of such groups as the Women's International League for Peace and Freedom and Women Strike for Peace.

Ranging from campaigning against the sale of "war toys" and the showing of violence and prejudice on television to children, to full-scale activity in electoral politics, women's peace action is becoming increasingly effective. In recent months a large number of mothers of teenage sons have

been taking an active role in the challenge to draft law and open resistance to service in the Vietnam war which has stirred such public interest. Others are showing their concern through peace vigils and demonstrations, community education projects on foreign policy, establishment of draft counseling services, and scholarly research into alternatives to the war system.

Mrs. Boardman urged that women take three steps toward peace: wake up—educate and inform ourselves; get together—organize in their own communities or churches in study or action groups; and act—set up projects that they can successfully carry out, no matter how small their impact.

Throughout her talk, she stressed that peace-building, not merely protest against war, is woman's way; that from childhood training to community organization she can show that understanding, cooperation and reason will solve human problems as prejudice, violence and anger never can.

### Hostess

### Hear DeSuze

An opportunity for Arlington residents to view the 1968 illustrated lecture by Carl DeSuzi will be offered Feb. 16th at 8 p.m. at the Lexington Senior High school.

Sponsored by the Lexington Arts and Crafts Society, this year's "Canada and Expo: Happening of the Hemisphere" is considered to be the liveliest and broadest in scope he has recorded in twenty-two years.

The documentary reveals the grandeur of the land and the vitality of people who have too long been invisible neighbors.

One experiences the overpowering majesty of the Canadian Rockies, senses the quiet revolutions occurring in the last frontiers of the Northwest Territories and the storied Yukon range from the Arctic Circle's frozen lakes to the booming prairie cities of the central plains.

A stop at "Expo" climaxes this fabulous trip. The glitter of visiting British Royalty at that time adds another dimension to the evening's presentation.

## Candidates Night, Feb. 20

The non-partisan League of Women Voters will again sponsor its annual "Candidates Night," Feb. 20, at 8 p.m. in the George M. Lowe auditorium, Arlington High school.

Atty. Ralph F. Tuller, Town Meeting member and member of the Arlington Zoning, Board of Appeals, will moderate this year's program.

Town Office candidates for Selectmen, School Committee, Housing Authority, Assessor, Town Clerk and Moderator

will speak and welcome questions from the audience.

Voter Service Chairman, Mrs. Robert Godano, urges the voting public to take advantage of this opportunity to come and meet candidates for public office and to ask questions pertinent to town government.

Town Meeting members and candidates will be present to meet constituents at a refreshment hour following the program in the cafeteria.

# Arlington Woman's Club Holds "Project Pageant" Here

The Arlington Woman's Club held its Jan. 25 meeting at the Robbins Memorial Town Hall with Mrs. Morand F. Caldwell presiding. She stated: "This year we celebrate the 75th anniversary of the Massachusetts State Federation of Women's Clubs. In recognition of the landmark in our history we wish to look back and acknowledge the contribution and allegiance to the State Federation of a few Arlington women. There have been many who have served on state committees throughout the years and their contribution of time, energy and

faithful support to their appointed task along with those from other communities is what has made the Massachusetts State Federation great.

"We have had a number of women who served as District Directors. The earliest one on record was Mrs. Charles A. Dennet, later Mrs. Cyrus Dalin, Mrs. Bert S. Currier, Mrs. Stanley R. Kingman, Mrs. Claude Sweet, Mrs. Americo Chaves, all past presidents of the Arlington Woman's Club. The proudest moment for Arlington was the year Mrs. Americo Chaves became president of the State Federation."

## Project Pageant

There are still many people in our town who are unaware of the achievements of the Arlington Woman's Club and for this reason a "Project Pageant" was presented.

Mrs. Patrick Compobasso represented "American Heritage and American Home". American Heritage has as its theme "in the tradition we inherit, the pattern of the future is established."

American Home continues to work to make every home economically sound, physically beautiful, socially responsible, mentally stimulating and spiritually strong.

Mrs. Fred Walt represented Art. The division today sponsors the Hallmark Art Talent Contest open to high school seniors. The Pennies for Art Fund provides scholarships for high school graduates to accredited art schools.

Mrs. Donald W. Taylor represented Conservation. The division has worked not only to preserve but to restore and

Project Pageant at the Woman's Club. Left to right: Mrs. Walter Bullock, Veterans; Mrs. Charles Y. Humphrey, International; Mrs. Philip H. Burt, Music; and Mrs. George K. Rugg, Literature.

renew natural resources. The clubwomen have put their hearts as well as their hands into service for others such as Community Service, Public Health and Hospital Service.

Mrs. Raymond S. Eaton, represented Education. In 1950 the division of Scholarship was established and the special functions of administering the international scholarship.

In 1955 a plan was adopted to allow a Massachusetts girl to study abroad. She must be accepted at the foreign university of her choice and must be sponsored by one of our federated clubs.

The following schools offer scholarships through the division also: The School of Practical Arts, The Vesper George School, Endicott Junior College, Katharine Gibbs School, Pierce Secretarial School, The Academic Moderne and the Faulkner Hospital School of Nursing.

Mrs. Charles Antworth represented the Finance Committee, Friendly Committee by Mrs. Ralph Hupfer and International Affairs by Mrs. Charles Y. Humphrey.

Through International Affairs the clubs have supported and promoted every effort to build peace through financial support of post war organizations such as UNESCO, Care School, Kits for Greece, clothing for the Middle East, Hungarian Relief, Seeds for democracy, aid to Korea, Jordan, India, Germany, UNICEF and many others.

## Fine Reputation

Public Affairs was represented by Mrs. Frank Sarnow, Literature by Mrs. George K. Rugg, Meetings Committee by Mrs. William Barnstead, Membership by Mrs. Fredrick Moreland, Music by Mrs. Philip Burt.

This division of the Mass. State Federation announced three musical scholarships of \$200 each to high school seniors in need of financial help to continue their musical education.

The fields of study are voice, piano, orchestral instrument or musical therapy. A copy of the scholarship requirements and application form has been given to the musical director of Arlington High school. Application must be made by April 1.

Mrs. G. Edward Wilkins represented Publicity; Mrs. Frank Keefe, Religion; Mrs. Andrew Magnus, Safety; Mrs. George Pucopolo, Social Committee; Mrs. Alan R. Hirtle, Topics; and Mrs. Walter Bullock, Veterans Service.

This division has earned an enviable reputation throughout the nation for its service to veterans.

Mrs. Ruth Bowby presented many familiar arias.

## STUDY CLUB

The Kensington Park Study Club will meet at 1:30 p.m. Feb. 13, at the home of Mrs. J. Lawrence Burkholder, 42 Frost st.

Following a social hour, Mrs. Walden B. Henderson, president, will conduct a business meeting.

The program for the afternoon will include two papers: "Theater Through the Ages" by Miss Caroline D. Higgins and "Summer Festivals Here and Abroad" (Music and Drama) by Mrs. Edwin Davidson.

## Annual Dinner

The Annual Eagle Recognition Dinner for Scouts and Explorers earning the Eagle Award will be held at the Kernwood Restaurant, Lynnfield, Feb. 8.

Among the Eagle Scouts to be honored are Gary K. Anderson, Gunner D. Engstrom, Philip G. Smith, David G. Snowden, Jr. and Stephen M. Summer of Arlington.

Sponsors for the Recognition Dinner included Kenneth A. Cameron and Walter Milne of Arlington.

## A Case Aide Project

The Case Aide Project at Metropolitan State Hospital, sponsored by Central Middlesex and Mystic Valley Mental Health Associations, has just created three new kinds of volunteer opportunities. These jobs will support the Project's main role at the hospital, but will not involve direct patient contact. The main areas where where help is being requested are public relations, long-range fund raising and foster home program development and publicity.

As a result of almost three years of Case Aide activity at Metropolitan State, more patients are becoming able to leave the hospital for foster homes. The need for such homes in this general area is far greater than the rate at which they are being found. Therefore, it was agreed to undertake major coordinated publicity campaigns so that the needs will be adequately met. Projects in this area may be worked on cooperatively with other hospitals in the Metropolitan district such as Boston State.

## Operating Costs Up

As the program has increased (from the original twelve volunteers to the present fifty) so has the financial cost of operating it. Funding has come through grants from The Permanent Charity Fund. However, the Case Aide Committee does envision the day when it must assume more of the financial responsibility for the program; thus the establishment of a fund-raising committee.

According to Mrs. Doris Epstein, Supervisor of the program, the Case Aide Committee feels that it is important to begin work in these areas immediately. Volunteers interested in either activity may contact one of the two mental health associations that sponsor the Case Aide project—The Central Middlesex Association in Concord, 369-6587 or the Mystic Valley Mental Health Association, 862-1496 at 186 Bedford st., Lexington. A meeting will be held soon to familiarize prospective volunteers with the project.

# HARVARD TRUST GUARANTEES

# 5%

# FOR FIVE FULL YEARS

In fact, we guarantee you will earn:

# 5.64%

when Growth and Discount Certificates are held to maximum maturity.

Harvard Trust Company is issuing its own Investment Certificates. These provide you a sound investment opportunity with a guaranteed maximum legal interest rate of 5% a year for 5 years.

Actually, Harvard Trust is guaranteeing 5.64%. That's what the rate of interest amounts to per year when you hold a Harvard Trust Growth or Discount Investment Certificate to final maturity.

Here's what you can now get for your money at Harvard Trust Company.

## • Your 5.64% Interest is Completely Guaranteed

No matter what happens in the next five years, the interest on Harvard Trust Investment Certificates cannot go down. On both Harvard Trust Growth and Discount Investment Certificates, the compounding of interest results in a yield of 5.64% per year if held to final maturity. We guarantee it!

## • You Start Earning Interest the Day your Certificate is Issued

No waiting until the first of the quarter or the first of the month to start drawing interest. With Harvard Trust Investment Certificates, your interest starts the day your Certificate is issued and continues right up to maturity date.

## • Flexible Redemptions — No Penalty of Rate

Harvard Trust Investment Certificates are redeemable without notice within 7 days following any quarterly anniversary with no penalty of rate, or

Harvard Trust Investment Certificates are redeemable on 90 days notice in writing. Such notice returns every dollar you have invested and every bit of interest earned without the need to wait for a quarterly anniversary date.

## • Three Different Plans for Different Needs

1. Harvard Trust Growth Certificates (Plan A): they keep on growing in value every day of every year with interest paid to you in a lump sum at maturity.  
2. Harvard Trust Discount Certificates (Plan B): these make great gifts. Reason: they keep on growing in value and give the recipient more for your money.  
3. Harvard Trust Income Certificates (Plan C): these provide guaranteed income without affecting the principal.

## • It's Easy to Buy by Mail

We would like to talk to you personally at any Harvard Trust office about our new Investment Certificates. But, if you can't come in, you can buy them by mail. There's no red tape to it—just decide what kind of Harvard Trust Investment Certificate you want, fill in the coupon below and mail with your check. You'll start earning money the day we issue your Certificate.

## Your PHARMACIST SPEAKS

H. K. Partanian, B.S., Reg. Ph.

Many drug companies, along with the National Institutes of Health, have cooperative agreements with penal institutions to run clinical tests on inmates. In 1965 both the Upjohn and Parke Davis drug firms installed a large and well-equipped laboratory at the State Prison of Southern Michigan. This prison, possibly the world's largest, provides a pool of over 4,000 prisoners for testing of new drugs. The inmates volunteer and are paid anywhere from a few cents to \$15 a day for participation in various drug-testing programs. While participation in such a program isn't expected to make model citizens out of hardened criminals, its value to mankind is inestimable.

## Workshop

—Duette Photographers  
Dr. John S. Gibson, Director of the Lincoln Filene Center for Citizenship and Public Affairs at Tufts University, is conducting a 14-session workshop in social studies for Arlington's elementary teachers. He will be assisted by members of his staff at the Lincoln Filene Center—Astrid Anderson, Jane Benson and Mrs. June Esselstyn who are currently working at the Stratton School on a special project, as well as Wyman Holmes who is in charge of audio-visual aids.

Dr. Gibson will acquaint the teachers with current research and development projects in social studies which are being carried on throughout the country.

The program will focus upon race and culture in American life, with particular emphasis on the teaching and learning about democratic human relations.

The teaching strategies and instructional materials which the Center has developed in its curriculum improvement project under the sponsorship of the United States Office of Education will be used extensively in the workshop.

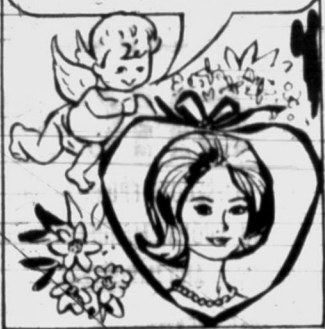

Other materials dealing with many dimensions of elementary school social studies will be utilized during the five month period. Ideas gained from the workshop can be adapted and applied in the classrooms to help make more effective the teaching and learning of social studies.

## Wins Support

The campaign of Senator Eugene McCarthy for the Presidential nomination received additional local support recently. The Arlington Committee on Vietnam has voted to endorse Senator McCarthy and to commend him for "telling the truth about the Vietnam war to the American public."

According to Rev. John D. Elder, president of the Arlington Committee on Vietnam, "The members of our Committee welcome Senator McCarthy's frank statement that 'the war in Vietnam is the most critical issue before the country today,' his spelling out of the enormous cost of this war in Vietnam and at home, and his insistence that Congress must recover its authority with reference to foreign policy. We are glad to hear him say, 'For two years, since joining with 15 other senators in asking a continuation of the bombing pause in January, 1966, I have been a persistent and continuous critic of a war I consider indefensible legally, constitutionally, diplomatically, historically, militarily and morally, and we admire him for carrying this criticism where it rightfully belongs into the arena of the presidential election campaign. Although we are not all enrolled as Democrats, we believe Senator McCarthy deserves our commendation. He is forcing the nation to face the fact that it is engaged in an immoral war. He is demonstrating that our government could and should be more vigorous in seeking early and responsible negotiations to end the conflict in Vietnam.'"

The Arlington Committee on Vietnam sponsored a public hearing with Representative Torbert Macdonald to give residents of the 7th Congressional District an opportunity to express their views on Vietnam. Mr. Elder connected the public hearing with McCarthy's candidacy in saying "Our Committee has been trying to provide an effective means of communicating the feelings of local citizens on Vietnam to political leaders at all levels. We have been aware that many voters feel 'voiceless,' and we were glad that Congressman Macdonald came to hear his constituents whose statements opposed our present policies in Vietnam 40 to 1. We are glad that Senator McCarthy is responding to the same problem, and we applaud his hope that his challenge 'may alleviate the sense of helplessness and restore to many people a belief in the processes of American politics and of American government.'"

# School and Sports

by Hal O'Brien

Local coaches who coach out of town teams have the uncanny knack of defeating the local teams.

Fran Foley, the Williams st. resident and coach of St. Mary's of Cambridge has a pair of wins over Arlington Catholic's basketball team.

Paul Lyons the Cambridge Latin coach, the Edmund resident, has wins over the AHS basketball team.

Jack Cusack's Xavier team defeated John Carney's Arlington Catholic team last week. Warren Lewis, who resides on Hathaway Circle and is the Christopher Columbus hockey coach beat ACH in the Winter Carnival play at the Skating Club. And I could go on and on.

Richie Walker the Xavier High hockey captain did not play in his team's 9-0 win over Cathedral because of an injury.

Jessie Toczylowski the fine Pop Warner football player and one of the better of the young hockey players sustained a leg injury that will confine him to the Melrose Wakefield Hospital for a while. A few cards to Jessie will make that stay a lot shorter.

Jackie Byrnes turned the "hat trick" as Kent's Hill defeated powerful St. Dominic's 5-3 last week. This is the third time this season Jackie, a defenseman on last year's Arlington High championship team, has scored the "hat trick."

Jerry Bartholomew's Arlington Bantam team lost to league leading Charlestown 5-2 last Saturday night at Hockeystown. The Arlington team is now in third place with a 3-4 record.

Charlie Enwright, a defenseman last season for Coach Jack Cusack at Xavier, has been moved to a center for the West Point Flebe hockey team. Don Coleman, the former Arlington Catholic high scorer, and Charlie are both having fine seasons at the service academy.

Gerry Grazi, the local mid-

dweight fighter, may soon be boxing for Malden Fire Commissioner Lou DeMarco. Gerry and Gabe LaMarca another local leather pusher used to box at the Walpole Arena last season. The boys had long win streaks going and are unable to get opponents in this area.

Sunday afternoon Tommy Apprille's South Boston High hockey team will play Arlington Catholic at the Arena. When Sacred Heart dropped hockey for the remainder of the season the League coaches were allowed to bring in outside teams to play. Coach Carney and Tommy decided the teams were evenly matched so the fans should see a good game.

The horses of the Lillian Zarrella Stable will start running at Narragansett Park with the return of good weather. The Zarrella stable did very well at the Fall meeting at Lincoln Downs.

John DeVenuti's horse "Sweep the Deck" was carrying top weight last Saturday as it finished fourth. The horse had won the big race on opening day and was a favorite to win last Saturday.

The finals of the National Indoor Tennis Championship that will be played at the Winchester Indoor Center will be on TV in color, channel 56, Feb. 25.

"Red" Martin the B.C. assistant hockey coach is a Charlton st. resident.

"Red" was a great defenseman and baseball player of note for the Eagles and was signed by Jackie Johnson, Houston Astro scout as a center fielder. "Red" attends law school now.

With the baseball players heading South in two weeks time the Big Leagues are already sending out their playing schedules. The Red Sox will televise 57 games, most of them on weekends; 14 night games will be on TV.

The Thomas F. Scanlan Memorial Trophy, recently awarded to Terry Erwin the Boston College backfield ace is given annually in memory of Arlington businessman Tom Scanlan.

Billy Corkery leads the G.B.I. hockey in scoring with 17 goals and nine assists with Tim Russell just two points behind. Last year Bob Haver led the league with Steve Donnelly right behind him.

### Shea's Goal Gains 2-2 Tie

A goal by Capt. Bob Shea in the final 30 seconds gave Arlington Catholic a 2-2 tie with Austin Prep Sunday afternoon at the Arena.

Catholic had to play come from behind hockey as Austin had a 2-0 lead going into the final period.

Bob Shea scored both of the Arlington Catholic goals in the final period.

The first goal came at 5:29 when Shea picked up a loose puck in front of the Austin net and fired it by the goaltender.

With Austin leading 2-1 and pressing for another score Shea intercepted an Austin pass near the blue line and outskated the Austin defense caught up to the ice and scored easily to tie up the game with just 30 seconds left.

Guanci the ACHS net-minder came up with several fine saves in the last period.

is at the top of the ECAC Division Two Standings.

Cornell gave Princeton a 19-1 drubbing in hockey recently and Saturday night the Tigers beat Jon Deveaux's Yale team 4-2. Goes to prove hockey scores don't prove a thing.

Billy Leary who manages the Hyannis Rink has one undefeated team there. Fal-mouth that leads the league with nine wins.

Russ Thomas has arranged for the World Series pictures to be shown at tonight's meeting of the Touchdown Club at Fantasia's.

While the notice of these awards are very late in reaching me, some of the nicest athletes in Town received them.

The Sportsman's Club annual award for the best offensive and defensive players of the Turkey Day game went to Marty Toczylowski for his offensive play against Archbishop Williams. The defensive awards went to the Co-Captains Charlie Harrington and Paul Traverse.

At the Teen-age dance held at the Town Hall sponsored by the Sportsman's Club to honor the basketball team last week, Coach "Red" Hill introduced his entire basketball squad. The same night Peter Chase was given the M.V.P. award for cross country and Jane Cosgrove was honored for her field hockey play.

If you have never attended a Sportsman's Club Social, you are really missing a real good take.

Tonight at the Boston Skating Club the third and final night of the Arlington Catholic Winter Carnival will have Arlington Catholic playing Malden Catholic varsity and J.V. hockey teams in regulation games.

John Coleman of Arlington Catholic will play against his younger brother one of Bert Kent's M.C. starters. Over 500 attended last week and enjoyed skating after the hockey games.

The ice is out of the Charles River but I have yet to see any of the college shells practicing while on my way to the Arena.

As Sacred Heart High has given up hockey for the remainder of the year Coach John Carney will send his club against Tommy Apprille's South Boston High team.

Tom's team is right behind Charlestown in the City League with six wins and a pair of ties and no losses to date.

Game time is scheduled for 1:30 p.m.

### Blank Cantabs

A pair of goals by Wayne Hale in the opening period and a single goal by Richie Repetto in the final period enabled the AHS Junior Varsity team to shutout Cambridge Latin, 3-0.

Mike Zona had the assist on Hale's goal that came in the opening minutes and Zona and John Lyons had assists on Hale's second tally late in the period.

Bob Herlihey and Jimmy Anderson were credited with assists on Repetto's third period goal.

Dave Egan earned his shutout as he came up with several good stops late in the game when Cambridge was pressing to avert a shutout.

This week the J.V. team plays Waltham and hopes to keep its seasons record without a defeat. The team has three wins and a pair of ties to date.

### Even Again

Friday afternoon Coach Hill's AHS basketball team defeated Newton South 80-60 to even its record for the season.

Captain Dave O'Leary had 27 points to lead all the scorers.

Jim Casey had 22 points and John Casey had 16 points.

Jim Nigro was limited to three points but did a good job of rebounding.

Sullivan, Glendone, Kelley, Barnaby and Travers were the other Arlington players.

The team lost a mid-week game to Cambridge Latin by 19 points.

Cambridge is in a three way tie for the top with Waltham, the team Arlington plays for its mid-week game and Weymouth the club the locals play here tomorrow night at the Arlington High Gym.

Weymouth defeated the Red and Gray Jan. 9 but the local team made a game of its until the last four minutes when three of the big boys fouled out.

### Blues on Top

The Blues, coached by Joe Cormier, lead the Arlington Hockey Club Bantam League at the completion of two-thirds of the season.

The Maroons, guided by Mike Butler are in second place with John Corbett's Green team in third.

Gerry Bartholomew's Scarlets are close behind, followed by Phil Rowley's Gold team and Bill Hauser's Black team.

Jeff Corbett of the Green team and Carl Burns of the Blues pace the scorers with 11 goals each while Jack Hurd is second with nine goals.

## Notes From Fidelity House

Paul Bunyah Day will be held Feb. 17 at 10 a.m.

This event is named after the most famous of all lumberjacks whose feats of strength are legend throughout the U.S.A. There will be many contests, some which require strength and stamina, and some which require speed and brains.

One must wear old clothes as the log rolling, tug of war and jousting will take place in a mud patch. There will be no charge for this event and all members are invited to participate.

**Special C.Y.O. Dance**  
A special dance will be held at Fidelity House Feb. 23, featuring "The Conspirators," masters of the quick costume change and psychedelic lighting.

The dance will be open to Fidelity House members only. If you aren't a member and you reside in Arlington, you are eligible to become a Fidelity House member. Drop in at the Fi-Ho any afternoon.

The tickets will remain on sale until Feb. 12 till 5 p.m.

**Overlook Crowd**  
The annual Mother-Son dinner sponsored by the Friends of Fidelity House was a huge success. A large number of beaming mothers who were accompanied by their sons sat down to a meal after which Master of Ceremonies Father John Fallon, Spiritual Director of Fidelity House introduced the head table guests.

The entertainment included Father Richard Cunningham, who fascinated the audience with his sleight of hand.

Two talented singing groups made up of Fidelity House's fairer sex, "The Available Nine" and "T.H.E. Group" presented a program of musical fantasy.

Executive Director, Dick Dailey spoke about the structure of the awards and the importance of being a good Fidelity House member.

The highlight of the evening was the presentation of awards to ten deserving members by the beloved Pastor and founder of St. Agnes Fidelity House, Rt. Rev. Oscar R. O'Gorman.

Senior awards went to Kevin Maskell, Barry Barker, Dennis Caputo, Paul Dooley, Paul Kelly and William Vines.

Intermediate awards to Edward Buckley, Richard Crowley, Daniel Lorden and Thomas Motherway.

**MARDI GRAS**  
A New Orleans style Mardi Gras, including the busting of the fabled Pinata, was held at the Fi-Ho Saturday morning.

The morning was filled with fun including a carnival, featuring marksmanship at the archery target and rifle range, for prizes, gypsy fortune tellers, a punch bar and costume judging, among other things.

**Card Party**  
The Friends of Fidelity weekly card party will be held Feb. 8 at 8 p.m. at Fidelity House.

**C.Y.O. Basketball**  
St. Agnes C.Y.O. basketball team tasted defeat for the first time this year, but the three teams still managed to amass seven wins this past week.

The Intermediate Flyers won three games to boost their season record to 7-0 as they defeated St. Stanislaus of Chelsea and St. Eulalia of Winchester twice.

Co-Captain Bobby Greene maintained his 20 plus points per game average while Bob Phil really had a hot hand in the first St. Eulalia game as he tallied 31 big points.

The Juniors beat St. Eulalia twice while losing to Immaculate Conception of Everett.

Jerry Pike's scoring highs-

## A.H.S. Six In 2nd

The Arlington High hockey team moved up to second place in the G.B.I. league as it defeated Somerville 10-2 Saturday, while Newton edged Medford, dropping the Mustangs to a tie for third.

Co-Captain Billy Corkery had five goals and three assists and Co-Captain Tim Russell had three goals and three assists. Kent Davison also had three assists as the Red and Gray got back on the winning track after a loss last week to league leader Brookline.

In the opening period it was a case of too much Corkery for the Somerville net-minder as Billy scored the first three Arlington markers.

On the first score, Russell and Noonan had the assists. Russell and Burns assisted on the second and Russell on the third.

Russell scored the fourth goal with Davison and Corkery getting the assists. Kenney and McBride scored for Somerville before the period was over to make the score 4-2.

In the second period Arlington tallied three more goals. The first was Corkery's fourth tally. Brine and Davison had the assists. Tom Devaux scored goal number six. Tony Lyons and Bernie Quinlan had the assists.

The third goal of the period was scored by Tim Russell with assists to Davison and Corkery.

In the final period Russell scored the 5th goal on passes from Dave Brine and Corkery. Brine combined with Corkery for his fifth goal and Art

Bogoshian and Flanagan teamed up for the 10th tally. Art had the goal, Peter the assist.

The win gives Arlington a 7-2 record with Arlington getting the chance to avenge its 2-1 loss to Medford this Saturday.

Medford was edged last Saturday by the fast-flying Newton team 2-1.

### Tracksters Lose

Peter Chase won the mile posting a 4:55 time and Ed Murray won the three hundred in 36 seconds flat to give Arlington its only five point winners as Somerville defeated Arlington 60-26 at the Armory, Saturday.

Mike Ceurvels and Bill Mahoney finished close behind John Jenks to take second and third in the 1000.

Brian Cecere had a second up the 600 and Tom Heaslip finished second in the two mile run.

Somerville took all three places in the shot put and won the relay in 2:15 the best time posted by any team in the meet.

Marty Toczylowski had a third in the dash and Mark Sullivan a third in the high jump.

Next Saturday Arlington runs against Brockton the only Division II team without a loss.

Brockton's record is 6-0, while Arlington is 3-3 for the season.

lighted the weeks play as he showed he can be a consistent double figure man.

The loss to Immaculate Conception appeared to be a combination of a tough zone press thrown up by the Everett club and the loss of ball handler Paul Dooley to the flu, and losing high scoring guard Jimmy Lyons to the Arlington Catholic Varsity.

The Juniors now show a 9-1 record for the season.

The Cadet Tigers disposed of their nearest rival, St. Eulalia of Winchester, by winning back to back games.

The first contest found the undefeated Tigers facing the once-beaten St. Eulalia Club at Fidelity House. The Tigers overcame an "ice cold" first quarter to defeat St. Eulalia 35-23.

The second encounter at Winchester High saw the Tigers in command all the way in a big 36-18 win. All three teams are hopefully pointing to their league title and a berth in the State C.Y.O. playoffs.

## Fred Dooe To Leave Library

It was announced this week that the Trustees of the Robbins Library at their meeting held on Monday, January 15, 1968, accepted with real regret the resignation of Frederick C. Dooe, effective March 1, 1968.

Mr. Dooe, who is currently Head of Circulation of the Robbins Library of Arlington, will leave that post as he has accepted a position as Director of the Boyden Public Library of Foxboro, Mass. Frederick C. Dooe has lived in Arlington since September 1949. Growing up here he attended the Locke School in Grades Three through Six, Junior High West, and graduated from Arlington High School in the Class of 1959.

He received his A.B. from Northeastern Univ. where under the cooperative work-study program, he was employed several terms in the Robbins Library. Following his graduation, he was made a Readers Adviser in the Library, and began his studies at the Graduate Library School of the University of Rhode Island.

On October 1, 1965, he became Assistant Reference Librarian and was later promoted to the post of Head of Circulation, a position he assumed in April 1967.

The Trustees of the Boyden Public Library of Foxboro chose Mr. Dooe after careful study from among more than ten candidates for the post of

Director there. In his new position he will be in charge of library service entering a very special phase in Foxboro, which is about to open a brand new library building. His duties will involve large scale reorganization, developing the book collection, and initiating new services.

**Mixed Emotions**  
Interviewed last week about his new appointment and also about leaving the Robbins Library, Mr. Dooe made the following statement:

"It is with mixed emotions that I have accepted the appointment as Director of the Boyden Library in Foxboro, Mass. This new position presents both an opportunity and a challenge; it is seldom that a librarian may organize new library services in a just completed modern building.

"Without doubt, my new appointment would have been improbable if it were not for the knowledge and experience gained under one of the most able administrators the profession possesses. Not only has Miss Stromdahl imparted a wealth of knowledge and experience in the field to me, but has shown me the greatest support and kindness at all times. It's the fortunate librarian who may serve under an individual of her calibre, and a fortunate town that has one of her ability and dedication as its Library Director.

"A Head of Circulation must have the support of a dedi-

cated and able staff as well as the leadership of the director to execute the functions of his position. Few libraries of comparable size possess a staff of as high quality and ability as does Robbins. Furthermore it is one than can adapt itself to a variety of problems and circumstances, and can do so with the greatest dispatch.

"I have all this in mind as I end my official service there. Finally I wish to thank the Board of Trustees for all of its support during the last seven years.

Mr. Dooe is the son of Mr. and Mrs. Frederick W. Dooe, 175 Park ave. in Arlington, where he will continue to reside.

## 20 Victories For V.F.W. Team

By winning its last four games the V.F.W. hockey team now compiled 20 wins since the start of the season. Against the second place French-American Club of Waltham four weeks ago the team won 5-1.

Jack Cusack and Dick Cavanaugh each had a pair of goals and Tom Vincent the fifth.

Don Cronin had three assists.

Goalie John Parekey played his best game of the season only to lose his bid for a shutout when the Waltham team scored on a shot that bounced off the goal post into the net.

The last place Waltham Falcons and the V.F.W. team played to a 4-4 tie until the last 13 seconds when a shot by Tom Vincent into the upper right hand corner gave the V.F.W. the win.

Jimmy Bell the Northeastern coach who has coached many an Arlington boy had three goals and one assist for the Falcons.

Bill "Bever" Robinson the Lowell High hockey coach had a pair of goals and three assists for the Arlington team.

Robinson scored the only goal of the first period with Don Cronin getting the assist. Jimmy Bell scored his first goal and tied the score at 1-1 at the two-minute mark.

Just before the second period ended Robinson passed to Don Cronin and Cronin's goal tied the score at two all.

A slap-shot by Robinson was tipped in by Dave Geldart at 9:09. Just after the face-off Robinson fired a hard slap shot from the blue line that Dick Cavanaugh tipped in for the fourth goal.

Jimmy Bell scored two quick goals late in the third period to tie up the game at 4-4. Vincent's goal won the game for the V.F.W.

Two weeks ago the team beat the Needham Rockets 5-2 with Cavanaugh scoring twice and Jack Cusack, Don Cronin and Bever Robinson single tallies.

Last Thursday night the V.F.W. posted its 20th win over the Lexington Minuteman, 5-1.

Dick Smith had two goals. Tom Vincent, Don Cronin, and Dave Geldart had single goals.

Next week the league begins its playoff series with Arlington scheduled to meet the Cambridge Royals in the first of a ten game playoff series.

## New "One-Dish Dinner" Nearly Is!

This recipe makes what is as close to a meal in a dish as any you are likely to find. One bowl and one dish are used in preparation, and that same dish is used for baking and serving. "Green Valley Casserole" is a thick, hearty, satisfying dish of brown and green beans, heavily-pudding Blue Lake green beans and creamed corn with a topping of herb biscuits. A salad of torn western iceberg lettuce tossed with a good Italian dressing and a simple dessert such as crisp apples with sharp Cheddar cheese are all you need to round-out this family dinner menu.

This main dish is named for the verdant valleys of Western Oregon and Washington where green beans of the Blue Lake variety are grown especially for canning.

**GREEN VALLEY CASSEROLE**  
2 packages (8 oz. each) brown and serve sausages  
2 cans (1 lb. each) cut Blue Lake variety green beans  
1 can (1 lb. 1 oz.) cream style corn  
1/2 cup light cream or milk  
2 1/2 cup milk  
2 cups biscuit mix  
2 tablespoons melted butter or margarine  
1 teaspoon mixed herbs (oregano, savory, thyme and marjoram)

Brown sausages in oven as package directs. Mix drained beans with corn and cream; pour over sausages. Put into oven to bake at 425 degrees. Meanwhile, stir milk into biscuit mix. Roll dough on floured surface into 16 x 7-inch rectangle. Brush with butter; sprinkle with herbs. Roll up from long side; cut into 12 slices. Place each slice, a cut-side down, onto hot vegetable mixture. Bake 15 to 20 minutes longer until biscuits are golden. Makes 6 to 8 servings.
